TECHNICAL SKILLS

- Cloud: AWS (EC2,VPC,Lambda, S3, API Gateway, Cognito, DynamoDB, CloudFront, IAM, CloudWatch), Cloud Computing Fundamentals
- Operating Systems: Linux-Ubuntu(CLI, Logs, Process Monitoring), Windows
- Networking: DNS, HTTP/HTTPS, TCP/IP, REST APIs
- Programming: Python, HTML, CSS
- Databases: MySQL
- Tools: Git, GitHub, VS Code, Postman
- Concepts: Debugging, Troubleshooting, OOP, CI/CD Fundamentals

PROFESSIONAL EXPERIENCE

Cloud Computing Intern | Codec Technologies India

Feb 2026 – Apr 2026

- Monitored Linux processes, analyzed system logs, and diagnosed application issues using Linux CLI tools.
- Supported cloud application deployment and validated networking configurations including DNS resolution and HTTP connectivity.
- Assisted in troubleshooting infrastructure and application issues through systematic debugging and log analysis.
- Collaborated with team members to document technical findings and improve deployment reliability.
- Gained practical exposure to cloud infrastructure, virtualization, and cloud support workflows.

PROJECTS

Share2Me – AWS Serverless File Sharing Platform

- Designed and developed a secure serverless file-sharing application using AWS Lambda, API Gateway, Amazon S3, DynamoDB, Cognito, CloudFront, and Python.
- Implemented secure file upload and download workflows using Amazon S3 and authentication with Amazon Cognito.
- DEPLOYED: <https://d2q93x200huoh6.cloudfront.net/>

Jenkins CI/CD Pipeline Automation

- Built a Jenkins-based CI/CD pipeline integrating GitHub to automatically pull source code, build the application, and execute deployment workflows on a Linux environment.
- Configured Jenkins pipeline stages and automation to streamline code integration and deployment, gaining hands-on experience with CI/CD, Jenkins, Git, Linux, and build automation.
- Code: https://github.com/rohit-singh-3200/jenkins_ci-cd

EDUCATION

Master of Computer Applications (MCA)

PDEA's College of Engineering | July 2026 | CGPA: 7.36

Bachelor of Business Administration (Computer Applications)

ATSS College of Business Studies | June 2024 | CGPA: 7.98
